

Can Cerkl automatically segment Jobs, Events or Workshops based on audience, class year or program answers in the API?

Article Number: 3335 | Rating: Unrated | Last Updated: Aug 7, 2018 at 9:08 AM

Yes. You can setup segments within Cerkl so that your automated newsletters only show jobs, events or workshops to the preferred audience. These are the fields you can use from each API to create segments in Cerkl: Jobs - Job Audience Events & Workshops - Eligible Class Year, Eligible Program(s)
