

What is a Screen Message?

Article Number: 435 | Rating: Unrated | Last Updated: Jan 8, 2019 at 9:18 AM

Screen messages are messages throughout GradLeaders Career Center that provide an explanation or a how to on a particular section. They can even displays information that must be read and accepted before proceeding to a certain section of the system.

Currently, there are about 315 different screen messages that can be customized through Customization, then choosing the Message option, and then selecting Screen Messages. All messages come with the default message provided by GradLeaders. For assistance customizing these messages, please contact a GradLeaders Representative.
