Once logged into the system, the user will be brought to the Dashboard. The main tool bar is located at the top of the page with the informational widgets located beneath the tool bar. Each specified information resource is accessed by clicking the appropriate resource, including on-campus recruiting and job file. Also located on the Candidate Dashboard are the Candidate Widgets. The Widgets are designed to work in conjunction with the informational resources also found with the Dashboard tool bar. These are located below the tool bar and can be used to quickly view information based on permissions. Click [here](#) to view the candidate widgets. To add or remove widgets from the candidate dashboard, please ask your GradLeaders representative.
