Report Title: Candidate Demographics Report
Module: Candidate
Candidate Set, Include Zero Answers,
Parameters: Resume Book Status, Class Year,
Program

Description:
This report will produce a list of all the list questions answers on the admin candidate profile AND list the amount of candidates who selected that answer to the question. **Example:** Citizenship Status

Question	Answers	Count (Candidate Selections)
Citizenship Status	US Citizen	500
^	PR Permanent Resident	56
^	F1 Student	80

^

Note:

If Include Zero Answer is set to Yes, this will include answers that are not tied to candidate responses (answers that have a count of zero). If this parameter is set to no, the report will exclude answers that are not tied to candidate responses.

Any search criteria that has an asterisk () next to it is a required search criteria.*

Any report with a Date Range search, it is HIGHLY Recommended that a date range be included. Not including this can cause reports to time out due to the amount of data.
