Report Title:	Candidate Demographics Report
Module:	Candidate
Parameters:	Candidate Set, Include Zero Answers, Resume Book Status, Class Year, Program Â

Description:

This report will produce a list of all the list questions answers on the admin candidate profile AND list the amount of candidates who selected that answer to the question. **Example:** Citizenship Status

Question	Answers	Count (Candidate Selections)
Citizenship Status	US Citizen	500
Â	PR Permanent Resident	56
Â	F1 Student	80

Â

 Note:

If Include Zero Answer is set to Yes, this will include answers that are not tied to candidate responses (answers that have a count of zero). If this parameter is set to no, the report will exclude answers that are not tied to candidate responses.

Any search criteria that has an asterisk (*) next to it is a required search criteria.

Any report with a Date Range search, it is HIGHLY Recommended that a date range be included. Not including this can cause reports to time out due to the amount of data.
