

Candidate Registration is Closed

Article Number: 907 | Rating: Unrated | Last Updated: Nov 27, 2018 at 12:21 PM

Problem: A candidate is trying to log into GradLeaders Career Center, but they received an error message telling them "Candidate Registration is Closed", what does this mean? **Likely Cause:** If a candidate tries to log into GradLeaders Career Center and receives this message it means they are trying to access a PID that is no longer accessible to candidates. This usually occurs when an Alumni tries to log into an old PID instead of the Alumni PID OR if a candidate was simply given the wrong login link. **Resolution:** Make sure the candidate is using the correct link.
