

Contact Database

Article Number: 128 | Rating: Unrated | Last Updated: Nov 10, 2010 at 2:05 PM

This widget provides a quick-lookup, alpha search for contacts, in addition to links to the “My Contacts”, “Advanced Search” and “All Companies” view. NOTE: The “My Contacts” link is only available when the Admin Recruiter Search survey contains the Account Manager question and the viewing user is setup as an Account Manager.
