

## Does an event being cancelled trigger an email to the company?

Article Number: 395 | Rating: Unrated | Last Updated: Aug 7, 2017 at 3:24 PM

**Problem:** If an admin goes in and deletes an event, will there be an email sent to the company to let them know? **Likely Cause(s):** Admin deletes an event **Resolution:** No, an email is not sent to the company because the business rule states that an Admin would only cancel an event after being advised to do so by the company. **Program Setting:** n/a
