

Converting a job to an OCR Interview

Article Number: 860 | Rating: Unrated | Last Updated: Jan 4, 2019 at 1:06 PM

Question: When I convert a job to OCR interview, it asks if I want to delete the job. The only reason I would want to click yes is if I wanted the historical data correct? **Resolution:** Correct, if you select yes, the job will be deleted and the activity tied to the job will remain on the student record.
