

Will an employer be charged if they accidentally converted a job to Multipost?

Article Number: 872 | Rating: Unrated | Last Updated: Jul 29, 2022 at 1:06 PM

Question: Will an employer be charged if they accidentally converted a job to a Multipost job? **Answer:** No, if an employer accidentally clicks yes to the Multipost popup message after submitting a job to a school, they will not be charged for the job. They would have to add the job to their shopping cart and check it out in order to be charged for the job. ***Reviewed/GoodToMigrate***
