

What is the difference between the candidate note exports?

Article Number: 875 | Rating: Unrated | Last Updated: Dec 23, 2013 at 2:37 PM

Question: What is the difference between the notes that appear in the following candidate note exports: 1. Selected Tab>Next Action>Export CSV>Export Sheet Columns: Note Text, Note Date, Note Posted By 2. Selected Tab>>Next Action>Export Notes **Answer:** **1. Selected Tab>Next Action>Export CSV>Export Sheet Columns: Note Text, Note Date, Note Posted By** This export will pull the most recent public note added to the candidate, either from an admin or employer. **2. Selected Tab>>Next Action>Export Notes** This export will pull the public candidate note(s) that are listed in the candidate notes tab. ST-30767
