**Question:** I thought there was a way to to remove OCR jobs from candidate job searches, but I forgot how to. **Answer:** Candidates can remove OCR jobs from their job search by clicking on the **Show** filter and de-selecting On Campus Interviews. If this option is not available for the candidate, then the candidate does not have the permission enabled for this filter. NOTE: If a candidate had access to all three show filters and selected any or all of these filters and the permission to edit this filter was disabled, the filters will remain
