Document Library Overview

Article Number: 981 | Rating: Unrated | Last Updated: Aug 3, 2017 at 9:33 AM

The Document Library module allows for the Career Services office to publish documents to candidates and employers in one easy to use interface within GradLeaders Career Center. Each document and folder can be set with specific permissions so that only the intended audience may view the document.Â The articles and categories within the Document Library section in the knowledge base will provide a general walk through on how to use the Document Library to manage admin, candidate, and employer documents.Â Â
